Grand Knight's Corner

October is a time of preparation. Our kids in school are getting prepared for midterms. Our kids with kids are in preparation for the holidays. Those without kids are in preparation for what comes next.

What is coming next for us are the Wheelchair weekend and Crab Feed, both on the last weekend of the month.

The American Wheelchair Mission will help those in need of mobility. Most of us take walking for granted. Thousands of people cannot walk, and we are here to give them mobility. We will be showing the Wheelchair video at all the Masses on the weekend of October 27-28 and requesting donations to purchase Wheelchair for those in need of mobility in our community and beyond. We are in contact with organizations nationwide to promote and help the needy.

The Crab Feed will occur on Saturday evening, October 27 and by it we will be raising money to continue to help the needy. We are in preparation to expand our service reach beyond our community in many different ways. Stay tuned or get involved to find out more.

Confirmation, Edge, Life Teen, and Youth Choir have started. More and more families are coming back to the Church. Service needs are everywhere. The Knights are here to help the needy and help the helpers. In the coming days there will be more and more opportunities to serve God's kids.

As you know, we are all Gods kids and he has no step-children. Our job is to seek to help those in need.

We continue to be prepared, so when needs arise we are there. When you see people in action to serve the needs of the community, DO your part to help the helpers.

Thanks for all you do.

Chaplain's Message

OCTOBER IS THE MONTH OF ROSARY

The month of October is dedicated to the Holy Rosary. According to an account by fifteenth-century Dominican, Alan de la Roch, Mary appeared to St. Dominic in 1206 after he had been praying and doing severe penances because of his lack of success in combating the Albigensian heresy. Mary praised him for his valiant fight against the heretics and then gave him the Rosary as a mighty weapon, explained its uses and efficacy, and told him to preach it to others.

If we consider the power of the Rosary as seen in its effects, we find a great abundance of proofs of its wonderful value. Many are the favors granted to private individuals through its devout recitation: there are few devoted users of the Rosary who cannot testify to experiencing its power in their own lives. If we turn to history, we see many great triumphs of the Rosary. Early tradition attributes the defeat of the Albigensians at the Battle of Muret in 1213 to the Rosary. But even those who do not accept this tradition will admit that St. Pius V attributed the great defeat of the Turkish fleet on the first Sunday of October 1571, to the fact that at the same time the Rosary confraternities at Rome and elsewhere were holding their processions. A second great victory over the Turks, who once threatened the ruin of Christian civilization, occurred on August 5, 1716, when Prince Eugene defeated them at Peterwardein in Hungary. Thereupon Clement XI extended the feast of the Rosary to the whole Church.

The Rosary is Christocentric setting forth the entire life of Jesus Christ, the passion, death, resurrection, and glory. Of course, the Rosary honors and contemplates Mary too, and rightly so, for the same reason that the Liturgical Year does likewise: "Because of the mission she received from God, her life is most closely linked with the mysteries of Jesus Christ, and there is no one who has followed in the footsteps of the Incarnate Word more closely and with more merit than she" 142 (Mediator Dei).

The authentic Rosary is a happy combination of vocal and mental prayer, each of which is essential to the devotion. It is incorrect to say that meditation is "the very essence of the Rosary devotion," for vocal recitation of the prayers is also of the essence. Meditation is the nobler element, the "soul," while vocal prayer is the "body" of the devotion. The

CRAB FEED HELP NEEDED

Brothers,

Our first major fundraiser for this Columbian Year is our **Crab & Tri-Tip Dinner** on Saturday, October 27. Many hands make the work light, so I am asking you to assist. Please let me know when you are available to help.

We normally setup on Saturday morning around 10 AM this takes between a hour to two hours, depending on the number of volunteers. We then need help with the dinner and most of the volunteers need to show up around 6 PM. We start serving at 7 PM and should be cleaning up some time after 9 PM, a time when we are most in need of assistance from Council members.

Thank you for all the support you give our Council, Parish, and greater community. We would not be able to provide the financial assistance to the Parish and community that we do without all the efforts you my Brothers put it in.

Thank you,
Frank Mazzuca
Grand Knight

Program Director's Message

On August 14, 2018, a Pennsylvania Grand Jury report released the names of more than 300 priests who are involved in molesting children over seven decades. The report also stated that the Church hierarchy protected those priests and, at times, assigned them to a different parish or promoted them. The news sent a shockwave across the country. It has also rocked our parish.

Some who were against Pope Francis from the very beginning have used this opportunity to malign him against this cover-up. Instead of defending the Church from its external attacks, they are promoting discord across ideological lines. Observers now see that our Church's weakness against the internal and external attacks.

So, as Brother Knights, what do we do? As a knight defending a kingdom, we have to defend our mother Church, its teachings, and the Pope now more than ever. We should never give in to these attacks. Instead, we should ask God for strength to overcome these attacks. We should also ask God to give the Pope and our Church leaders wisdom in responding to the crisis.

We should also be vigilant against the abuse that has rocked our children. It is part of defending our Church through its teachings. If somebody from our Parish or our Diocese has abused them, we should ensure they are held accountable. Our Church, though founded by Christ, is not considered as perfect as He. The people in the church hierarchy are also human beings bound for mistakes. Just like us, they are beset by temptation and sin.

In this time of crisis, we should be stronger than ever and be faithful with the love of God instilled in our hearts and our faith. Our Church has gone numerous of scandal for 2,000 years. We shall overcome this crisis and successfully resolve it.

District Deputy's Message

On Friday the 28th of September, as a member of the Todos Santos Fourth Degree Assembly Color Corps, I attended the funeral mass of SK Earl Koski. It was then that I was made aware of the many achievements this fine Sir Knight had made in the service of charity. He had a loving wife and supportive family. I thought to myself, "How many others are there whose achievements I have not noticed?!"

Let's try to take time out of our schedules to let someone know how much of a difference their lives have made to ours! You will surely bring a smile to their face!

Continue to keep up the great work, St Agnes Council!

Chaplain's Message

(Continued from page 3)

Rosary, Pope Leo XIII declared, "is composed of two parts, distinct but inseparable — the meditation on the mysteries and the recitation of the prayers. It is thus a kind of prayer that requires not only some raising of the soul to God, but also a particular and explicit attention."

Pope Benedict XVI in an address at the Basilica of St. Mary Major where he prayed the rosary with the faithful said: "we confirm that the Holy Rosary is not a pious practice banished to the past. Instead, the Rosary is experiencing a new Springtime. The Rosary, when it is prayed in an authentic way, not mechanical and superficial but profoundly, it brings, in fact, peace and reconciliation. It contains within itself the healing power of the Most Holy Name of Jesus, invoked with faith and love at the center of each "Hail Mary."

Ten Reasons Why Men of Faith Should Support KofC Insurance

1. The Knights of Columbus has products that help families all across the economic spectrum. If a Catholic family needs a strong insurance company, we are it.
2. Knights of Columbus Field Agents serve their members with high integrity, and so does our organization, which was named a World's Most Ethical Company® by the Ethisphere® Institute for the fifth consecutive year this past February.
3. Your local Knights of Columbus Field Agent is committed to you. His working mission and purpose is to provide the best advice and service to you and your family.
4. Your dollars with the Knights do triple duty: They are invested in a Catholic way, they help those less fortunate and they help your family.
5. The Knights of Columbus offers more than life insurance. We also have insured retirement plans where your IRAs, Roth IRAs, 401ks or non-qualified funds can be placed to maximize your retirement income.

Field Agent's Message

RETIRE WITH THE KNIGHTS OF COLUMBUS

There are few things in life that are harder to predict than how much money we'll need in retirement.

A great vehicle to help you achieve that goal is the Knights of Columbus Single Premium Immediate Annuity (SPIA). The SPIA is a powerful product that — properly structured — can give you a guaranteed, fixed stream of income for the rest of your life.

Here's how it works: The SPIA is funded by a single premium. You pay once. Pulling from non-qualified or qualified funds (such as IRAs, ROTH IRAs, SEPs or TSAs), you fund your SPIA with a single payment, and it begins to work immediately. How, when, and how much money you receive from your SPIA depends on the options you select.

Option one: Guaranteed period only

With this option, you choose how many years you want to get paid and how often. For the number of years, you can choose any number from 5-30 years. As with all four options, you can choose to be paid monthly, quarterly, semi-annually, or annually. The amount you'll be paid is fixed and will not change.

If you pass away before you have received all your payments, your savings will not be lost. The remainder of your guaranteed payments will go to your named beneficiary.

Option two: Life annuity with a guaranteed period

With this option you choose how many years you want to get paid, and if you outlive those number of years, you continue to get paid the same amount for the rest of your life! Like option one, if you pass away before you have exhausted your guaranteed payments, those payments will be made to a named beneficiary.

Option three: Joint and survivor

This option covers two people. As with the other SPIA options, it allows you to receive guaranteed, fixed payments for the rest of your life, but it also gives you the ability to pass on your payments to a second person— such as your wife — after you've passed away, which will allow her to receive payments for the rest of her life as well.

Field Agent's Message

(Continued from page 6)

When you pass away, your wife will receive the payments for the rest of her life. The amount she receives will be a percentage of the amount that you received while you were alive. The percentage can be 100%, 66.6%, or 50%, as elected on the original contract.

Option four: Deferred paid-up annuity

This option is for those who don't need to begin receiving money right away. With the deferred annuity, you elect to begin receiving payments after a certain number of years have passed or after you've reached a certain age.

Once payments begin, you will receive payments for the rest of your life. This option guarantees that — at a minimum — you and your family will not lose money.

So, if you're looking for a solution to retirement worry, retiring with the Knights of Columbus may be just what the doctor ordered. For specific rules and complete details on these plans, contact me. I'll be more than happy to fill you in.

The Reason Why We Have Scandal in the Church: A Brave Priest's Powerful Message

Fr. Bill Peckman

Why is there scandal in the Church?

One answer: We took our eyes off Christ. Like Peter walking on the water, when we take our eyes off Christ, we sink.

We took our eyes off Christ when we thought a good idea to water down the Gospel with worldly wisdom.

We took our eyes off Christ when we gave room in our lives for sin. Be that the sins of lust...or wrath...or pride...or greed...or gluttony...or envy...or sloth (spiritual and otherwise), when we gave quarter to these, we took our eyes off Christ.

We took our eyes off Christ when we thought it a good idea to respond to such sin with more sin. We took our eyes off Christ when we responded to the sins of others with derision, vengeance, and apathy.

We took our eyes off Christ when we allowed faith to be reduced to a pious hobby. We took our eyes off Christ when we found other things as more worthy of our time and energy.

We took our eyes off Christ when prayer in the home fell away; when the devotional life in homes and parishes fell off.

We took our eyes off Christ when Mass became an encounter primarily with a priest or with the community and not an encounter primarily with God.

We took our eyes off Christ when we reduced the validity of a Catholic teaching to how we feel about it. We took our eyes off Christ when we were too busy looking to our own reflection for the validity of truth.

When we take our eyes off Christ, we sink. We become unable to walk on water tossed about by the prevailing winds.

We take our eyes off Christ because to keep our eyes fixed on Christ requires a constant death to oneself, a constant deepening of being poor in spirit to recognize our need for Christ to navigate the sea.

We can have all the protocols we want. We can have all the rules, laws, regulations, and such we want. If our eyes are not fixed on Christ, they will be little more than stopgap measures...little more than band-aids over a gaping wound.

If we truly want reform and renewal, it must start with re-fixing our own eyes onto to Christ. This means our reactions and responses must flow from that fixed gaze on Christ. This will help us not answer sin with more sin, but to bring the healing of Christ to a wound that came about from our taking our eyes off Christ.

Fr. Bill Peckman is the pastor of Ss. Peter and Paul Parish in Boonville, MO and St. Joseph Parish in Fayette, MO. (Originally published on Facebook).

Global Wheelchair Mission

MISSION

Global Wheelchair Mission is an alliance of non-profit organizations, including the American Wheelchair Mission and the Canadian Wheelchair Foundation, dedicated to delivering wheelchairs and mobility to people worldwide. Millions of children, teens and adults in need of mobility receive a gift that immediately changes the lives of their entire family through this important work.

NEED

More than 100 million people worldwide are in need of a wheelchair but cannot afford one. These individuals cannot be helped by canes or crutches. A wheelchair is their only hope for mobility. Physical disabilities stem from a variety of causes including can be from war, disease, accidents, and lack of health care. In many areas, including in our own communities, those who feel the weight of these issues go unaided.

“God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them.” — Hebrews 6:10

KNIGHTS IN ACTION

The Knights of Columbus has a long history and personal connection with the Global Wheelchair Mission. Fourth Degree Knight Chris Lewis, son of legendary entertainer and philanthropist Jerry Lewis, helped to create the humanitarian mission that has delivered more than 750,000 wheelchairs to people around the globe. The Knights of Columbus has partnered with Chris and the mission since 2003.

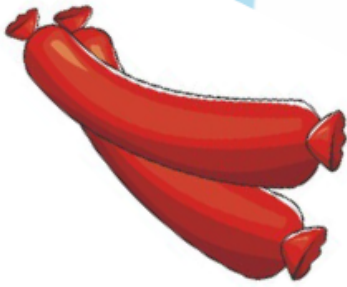

PUT YOUR FAITH IN ACTION

Donate on the weekend of October 27 & 28 to help the Knights of Columbus and the Global Wheelchair Mission make a difference in the lives of people throughout the world. Donations are tax-deductible.

MARK YOUR CALENDAR

The weekend of October 27 & 28 is Wheelchair Weekend at St. Agnes. While little physical assistance is needed from our Council, the best way we can support the Global Wheelchair Mission as a Council is to get the word out and encourage our friends and Parishioners to make tax-deductible donations after all the Masses on Wheelchair Weekend.
